Dr. L. E. Barker,
Johns Hopkins University,
Baltimore, Md.

Dear Dr. Barker:

I am intending to visit the Alumni of the University of Toronto in New York, Philadelphia and Pittsburgh in the middle of March and at the same time I propose going to Washington. If there were an opportunity of my meeting some of our graduates in Baltimore on Friday, March 17th, I could stay at Baltimore on my way through to Washington, as I shall probably leave Philadelphia on Thursday. I do not wish you to go to any inconvenience in the matter, but I know that you have been corresponding with Mr. Maurice Darling about an American Alumni Fellowship and I might take the opportunity of saying something to our graduates about recent developments in the University.

With kind regards to Mrs. Barker and yourself,

I am,

Yours sincerely,

President.

President Robt. A. Falconer,
Totonto, Canada.

My dear President Falconer:

I am sure that all Toronto graduates will be delighted to see you when you pass through. I shall be glad to take the matter up with some of them and make arrangements for a meeting at which you could address them. I note that you suggest Friday, Mar. 17th. Unfortunately for me, I have promised to give an address at Scranton, Pennsylvania, on that day. I should so much like to be here when you come and to entertain you. Is the date, Mar. 17th, the only one for you? Please let me know as soon as you can, and if the date is fixed I will make the arrangements anyway, even though I cannot be here.

With high regard, I am,

Yours faithfully,

Lewellys F. Barker

President Robert A. Falconer,
Toronto, Canada.

Dear President Falconer:

It seems the irony of fate that the two dates you mention, March 17th and Mar. 21st, are dates that have been for some time filled for me, whereas March 18th, March 20th, March 22nd are free. Would it be possible for you to be with us on one of those evenings? If not, I shall be glad to arrange for either Mar. 17th or Mar. 21st for the meeting and try to have as many present as possible, though not being able on those dates to be present myself.

My wife asks me to say that it will be a great pleasure to have Mrs. Falconer and you stay with us if you will do so.

With kind regards, I am,

Dictated by Dr. L. F. Barker,
but signed by his secretary to
avoid delay in mailing.

Yours sincerely,

Lewellys F. Barker

Dr. L. H. Parker,
1035 North Calvert Street,
Baltimore.

My dear Dr. Barker:

Many thanks for your letter. I think that I could arrange to go from Philadelphia through to Washington where I hope to spend a few days with Mrs. Falconer. On Tuesday afternoon we might come on to Baltimore and meet the graduates that evening. On Wednesday we should have to come through to Pittsburgh, as I hope to meet the graduates there on Thursday. How would Tuesday evening, March 21st, suit you?

You say that you would like to entertain me while I am in Baltimore. I should enjoy very much being with you but I hope to have Mrs. Falconer with me on this trip, and if it is in the slightest way inconvenient for Mrs. Barker and yourself to have Mrs. Falconer with me I can easily arrange to stay at a hotel. Please do not hesitate to act in accordance with your own best convenience.

With kind regards, I am,

Yours sincerely,

President.
